Bridging Continents Through Communications

IEEE International Conference on Communications (ICC 2006)
11 – 15 June 2006, Istanbul, Turkey, www.icc2006.org

GENERAL INFORMATION

ICC 2006 will be held in Istanbul, Turkey on 11 - 15 June 2006 under the theme of 'Bridging Continents Through Communications.' The technical program will consist of a general topic symposium, eight specific symposia, Business Applications and Executive Sessions, Tutorials, and Workshops. For the technical sessions, the ICC 2006 program committee is soliciting original papers describing state-of-the-art research and development in all areas of communications and networking. Prospective authors are invited to submit original technical papers for oral or poster presentations at ICC 2006 and publication in the Conference Proceeding. (IEEE Communications Society policy states that all accepted ICC 2006 technical presenters must register at the full or limited rate. For authors presenting multiple papers, one full or limited registration is valid up to three papers.) Proposals for Tutorials and Workshops are also invited. Scope of ICC 2006 includes, but is not limited to, the symposia topics listed below.

GENERAL SYMPOSIUM

The General Symposium at ICC 2006 will include topics that are not covered under the individual symposia listed below. For further details, please contact the General Symposium co-chairs: Raouf Boutaba, (rboutaba@bbcr.uwaterloo.ca) and Guenter Schaefer, (g.schaefer@ieee.org).
