

CALL FOR WORKSHOP PROPOSALS

IEEE INTERNATIONAL CONFERENCE ON COMMUNICATIONS

Bridging the Broadband Divide
9-13 June • Budapest, Hungary

WWW.IEEE-ICC.ORG/2013

OBJECTIVES

In 2013, the prestigious IEEE International Conference on Communications (ICC 2013) will be held for the first time in Eastern Europe, in the beautiful city of Budapest. As with previous editions of this IEEE ComSoc flagship conference, IEEE ICC 2013 will be hosting a series of workshops and therefore invites submission of workshop proposals.

ORGANIZATION AND SUBMISSION PROCEDURE

According to IEEE Communications Society guidelines, workshops should emphasize current topics of particular interest, and should include a mix of regular papers, invited presentations and panels that encourage the participation of attendees in active discussion. Accepted workshops will implement ComSoc's academic best-practices, particularly regarding peer-reviews and paper publication. Papers will be added to IEEE Xplore and the Conference Proceedings.

Workshop proposals should be submitted to EDAS no later than **25 June 2012**.

Each workshop proposal must include:

- ✓ Title of the workshop
- ✓ Length of the workshop: Half-day, Full-day
- ✓ Names, addresses, and a short CV (up to 200 words) of the organizers
- ✓ A brief description (up to 1 page) of the technical issues that the workshop will address, emphasizing its timeliness
- ✓ Names of potential participants, such as program committee members and invited speakers
- ✓ Planned format of the workshop, such as number of refereed papers, hot topic sessions, keynotes, panels etc.
- ✓ If appropriate, a description of past versions of the workshop, including number of submitted and accepted papers, number of attendees, etc.
- ✓ A description of the publicity and promotion plan
- ✓ A draft call for papers
- ✓ The workshop website address (if available at the time of the proposal - will be required later if the workshop proposal is accepted)
